County Council Meetings

Need Seen For Welfare Officer In County Area

SCHOOL COMMITTEE MEETING
The regular February meeting of the School Committee of the County of Vulcan No. 2 was held on Monday, February 10. Chairman of the committee, J. M. McKay, presided, and committee members Frank Thurber, A. McAlister, Earl Erickson, George Moses and R. O. Bertrand were present. G. E. Volsey, representing the Town of Vulcan, was absent through illness. Also present at the meeting were E. K. Hawkesworth, superintendent, and D. D. McQueen, secretary-treasurer.

It was moved and carried that the Good Will Service Club be permitted to use the Home Economics room at the Lomond School for sewing classes.

Committee members discussed the matter of obtaining a share in the Arrowwood Fire Department. This matter had been discussed previously by the County Council, and it was decided that a share should be purchased in the fire associations in the district. Instructions were given to the secretary to obtain a share from the Arrowwood Fire Department.

Mr. Hawkesworth made the recommendation that the Grade 7 and 8 classes be moved from the Vulcan Elementary School to the Central High School effective September 1st, 1964, and that the vice-principal of the High School be designated to supervise the Junior High School grades of 7, 8 and 9.

It was moved and carried that Mr. Hawkesworth's suggestion be approved and that the Grades 7 and 8 classes from the Vulcan Elementary School be incorporated in the Central High School, Vulcan.

The Arrowwood Home and School Association requested a county official to attend their Home and School meeting on Feb. 18, to speak on behalf of the county. It was moved that Mr. Thurber attend this meeting.

Regarding the Home and School

Institute, to be held at Arrowwood on Feb. 29, it was moved and carried that in view of the fact that Mr. McKay will be away on vacation, E. K. Hawkesworth be given authority to speak to the Institute and answer questions on behalf of the school committee.

It was moved and carried that D. R. Brown be advised that the county would be pleased to appoint him to the permanent staff at the end of this term.

It was moved and carried that the school committee advise Mrs. Jeanne Riddell that the committee would be pleased to renew her temporary contract from year to year until further notice.

At 4:00 o'clock in the afternoon, Robert Hill, Earl Brinton and Don Green, members of the Teachers' Economic Committee, interviewed the committee in respect to the salary schedule and discussion was held on several points.

The meeting adjourned until 10:00 o'clock in the forenoon of Tuesday, Feb. 11, 1964.

The committee re-convened at 10:00 o'clock in the forenoon on Tuesday to discuss the matter of Indian children attending the school at Arrowwood. The Indian Agent, A. H. Murray, Mr. Muir, supervisor of the school on the reserve, and Mr. Broadhead, inspector of the Indian schools, interviewed the committee to discuss this matter. Duane Binning, Principal of Arrowwood School, was also present, as well as Mr. E. K. Hawkesworth, superintendent.

It was noted that there were 39 Indian children attending the Arrowwood School at the present time, and that the total enrolment at Arrowwood was 139 pupils. The general viewpoint of those discussing this matter, both the Indian Department officials and the county officials, was that this was

Auction Sales Will Assist Scout Finances

The Scout organizations at Carmangay, Champion, Vulcan and Lomond will sponsor community auction sales at each of these localities this spring for the purpose of raising funds for each of the local Scout associations and paying their share towards the establishment of a new Cub and Scout camp in the Pincher Creek area.

Auctioneers Commodore Allen and Wally Franks of Vulcan and Tom Ruggles of Champion are donating their services for the four sales and residents of the four towns and districts will be asked to contribute some article of value to be auctioned.

Dates of the sales are: Carmangay, Saturday, March 28 at 2:00 p.m.; Champion, Saturday, April 4 at 2:00 p.m.; Vulcan, Saturday, April 4 at 7:00 p.m. (an indoor sale); Lomond, Saturday, April 11 at 2:00 p.m.

More Workers Required By Klassen Const'n.

Additional production line help is being sought by Klassen Construction Ltd., which is engaged in a 200-unit pre-built home contract for the United States Air Force.

The firm, located at the Vulcan Airport, now has about 120 men employed and has openings for more fulltime employees. Applicants should contact the firm's office at the Vulcan Airport.

Lloyd M. Clark Named To High Oil Position

Son of Mr. and Mrs. Percy Clark of Vulcan, Lloyd M. Clark of Calgary has been named as Canadian Division Attorney of the Pan American Petroleum Corporation.

Mr. Clark was born at Vulcan and is a law graduate of the University of British Columbia. He has worked in the Canadian Division Law Department of Pan American since 1956 and prior to that was in the legal department at Calgary City Hall.

He attended high school in Vulcan and during that time was also employed at the Advocate office, later serving with the RCAF. Mr. Clark is married and the father of two boys.

Officers Elected

Home and School Institute Held At Arrowwood

A number of the public and representatives from the Gleichen and all the Vulcan County Home and School Associations except Carmangay and Champion attended the February 29, Institute at Arrowwood.

At the morning business meeting the following new council executive for the coming term was elected: President, Mrs. Barbara McIntyre, Milo; vice-president, Mrs. Phyllis Hunter, Brant; secretary-treasurer, Mrs. Ruth Hermann, Milo.

On behalf of J. M. McKay, school committee chairman, who was unable to be present, E. K. Hawkesworth, Superintendent of Vulcan County Schools, spoke briefly on the new vocational training addition to the County Central High School. He also gave interesting short talks on Opportunity Classes and the possible enlargement of the Arrowwood School due to the successful integration program of Indian students this past year.

Following Mr. Hawkesworth's address, Dr. A. C. Ellis of the Foot-Hills Health Unit, High River, spoke on, Responsibility of the Health Unit to the School Child, very thoroughly explaining the Unit's services pertaining to sanitation and environment of health, communicable disease control, immunization and physical defects.

A hot dinner was enjoyed by all after which F. C. Jorgenson, Principal of the Southern Alberta Institute of Technology, Calgary, was introduced. His topic, Why Stay in School, was most impressive.

Joint Service Of Young People

The young people of the Vulcan Pentecostal Church were host to approximately 45 young people from the Apostolic Church in High River last Friday evening. This group was in charge of the evening service and put on a very interesting display of musical talent. Rev. Ernie Sigelkow, their pastor, used as his theme, "Power to Witness".

Celebrate Wedding Anniversary

On Sunday, February 16, the family of Mr. and Mrs. Wilson Oldfield held Open House at the Oldfield residence in Vulcan to celebrate their parents' wedding anniversary. Many friends from Vulcan and vicinity, as well as a number from Calgary, Edmonton, Lethbridge, Okotoks and High River, called to offer congratulations during the afternoon and evening.

Tea was served by relatives and friends to more than 200 guests. A beautiful three-tiered wedding cake centred the tea table, streamers, bells and spring flowers completed the decorations.

The couple are old-time residents of the Vulcan community. In 1905, Wilson Oldfield homesteaded 15 miles north-east of Vulcan. From 1910 to 1913, Mrs. Oldfield, then Isa Campbell, taught Berrywater

School. After their marriage at Swinton Park, Ontario, on Feb. 12, 1916, Mr. and Mrs. Oldfield lived on the farm until 1954 when they retired to Vulcan.

Mr. and Mrs. Oldfield have one son Archie, who lives on the old homestead and one daughter, Margaret, Mrs. Ed. Richardson, also living near Vulcan. All members of their immediate family were present at the anniversary celebration, including Mr. and Mrs. Archie Oldfield, Sandra and Jim; Mr. and Mrs. Ed Richardson and Lynne; Mr. and Mrs. Jerry Sparks (Helen Richardson) and Debbie and Dawna.

Other relatives present were Reg Campbell, Mr. and Mrs. Stuart Campbell, and Isabella Turnbull of New Westminster, B.C. Mr. and Mrs. Will Canapbell were unable to attend owing to Mr. Campbell's recent illness.

SITE OF FUTURE HOME . . . VULCAN?

To Have Or Not To Have . . .

A dramatic turn of events in the Vulcan Recreation Centre's development program has sparked new life and hope into the group's campaign for artificial ice and community centre facilities.

The building pictured above is premises of the Meadowlark Curling Club of South Calgary. The land on which it is located has been sold to make way for a new shopping centre and the building must be demolished before May 1st.

The seven year old establishment is to be sold either as a whole or in part— fixtures, furnishings, ice plant, etc. — and Vulcan has a chance to bid on it with better-than-average chance of being accepted.

The construction, demolition and house-moving firm of Bill Wearmouth Holdings Ltd. is negotiating with Oxford Leaseholds who wish to purchase the property and have Wearmouth Holdings remove it for them. Wearmouth Holdings Ltd. have offered to dismantle the building, all materials and equipment, and transport it to a site at Vulcan for the price of \$33,200. Replacement value of the building as it stands is given at \$175,000 and value of the ice plant which handles eight sheets is set at \$30,000.

Until now the Recreation Centre's campaign had been based on remodelling of the old arena for artificial ice and the eventual inclusion

of recreation facilities. This remodelling was considered as the only avenue because of the prohibitive cost of complete new building facilities. The campaign has so far netted approximately \$15,000 in cash and pledges out of the objective of \$55,000 and it is no secret that the public has been split several ways over this issue. There are those who want artificial ice only; those who want community centre facilities only or first but it is felt the greatest body of opposition is unwilling to put money into the old arena for either purpose.

And so the Centre committee, judging from information on hand at present, feels that, given support, and a successful bid, the plan can give Vulcan artificial ice and a community centre under one roof. The problems involved would be many and difficult but the committee feels the possibilities of such an undertaking are so great that it warrants not only their complete investigation but also the interest of everyone in the town and district.

One important factor is a suitable location for the building and in this regard it is revealed that there is an excellent chance of obtaining the west half of the block on which the Vulcan Armouries is situated. This is presently the property of the Department of National Defence but

as it is not being used by the Reserve Unit, Calgary Highlanders and as there are no plans for expansion, it is hoped it may be obtained for such a purpose as is being projected. Building chairman Boyd McKay was to have sought an interview with army officials at Calgary Wednesday of this week on the matter.

Bill Wearmouth of the demolition company was present at a meeting last Sunday attended by 29 persons, including members of the Recreation Centre and left details of the undertaking plus a basic list of items in the building and the percentage recoverable of these items.

In order that full ice surface and community centre facilities can be adequately provided for it is estimated that the length of the building would have to be increased 40 feet and Mr. Wearmouth was asked to forward a price of the extension along with the cost of a complete rebuilding job here at Vulcan.

Future action on the part of the Recreation Centre will now be based on this information and from opinions gathered by a representative group which was to have toured the curling rink on Wednesday of this week. Another luncheon meeting is planned for the New Club Cafe on Friday, open to interested persons, at which it is hoped a reply will have been received from Mr. Wearmouth.

Soil Erosion To Be Discussed

The almost complete lack of snow this winter and high winds of the past few weeks have combined to cause a soil drifting problem in Southern Alberta that is arousing considerable concern. Scenes reminiscent of the dust storms of the 30's have been all too common this past month and the swirling clouds of topsoil have at times cut highway visibility to a few yards, forcing motorists to drive with headlights on.

Some fields with good trash cover or well stripped have not suffered too much but other fields show marked signs of wind erosion. Unless rain or a heavy snowfall is received very soon the wind erosion is likely to continue.

Methods of combatting this soil erosion caused by climatic conditions will be discussed at meetings sponsored by the County Agricultural Service Board, at the Vulcan Cafe banquet room on Thursday, March 12, at 8:00 p.m., and at the Herndon Community Hall on Monday, March 16, at 8:00 p.m.

Annual Event

Awards Presented At Gymkhana Banquet

The third annual banquet and dance of the Lake McGregor Gymkhana Association was held at the L.M.G. on February 14, and was well attended. The door prize of a clock was won by Mrs. Andy Knive.

During the evening the following awards were presented: Senior pole bending, donated by L.M.G., 1, Arthur Nelson; 2, Floyd Armstrong; 3, Leonard Stokes.

15 and under pole bending, donated by Arrowwood Gymkhana, 1, Mervin Anderson; 2, Myrna Marks; 3, Levona Lahd.

Foot Of Wet Snow Needed

Wind, Snow-Free Winter Bring Serious Loss of Soil

The mild, open winter, almost free from snow in the Vulcan area since Christmas, is having serious consequences as summerfallow fields are giving up precious topsoil to the strong winds which have swept Southern Alberta during the last two to three weeks.

With the exception of the occasional light snow fall, which has disappeared within hours, fields have been bare for the most of the winter and the prevailing westerly chinook winds have robbed the topsoil of moisture. Farmers and townspeople have come to dread the sound of rising winds which have greeted them on many mornings as a signal of dust storms and their grim results.

In the Carmangay, Barons and southern areas methods of farming help to combat the blowing but to the north of Vulcan this preventive farming is not usually accented, so ditches are clogged with piled soil.

Clarence Roth, local District Agriculturist describes the farmers' plight as mostly due to unforeseeable circumstances, however there is more than one farmer regretting the baling of straw following harvest two years ago instead of surface shovels for longer wear.

The relatively smooth land surface to repeat the process. Mr. Roth and the Agricultural Service Board staff have been experimenting with special shovels on double-standard cultivators which will go down into the frozen soil several inches and turn over ridges which will help alleviate the saltation problems. One field on the Russel Graham farm which was blowing was worked Tuesday of this week by two tractors pulling Noble Blades which were equipped with special eight inch shovels. The shovels penetrated the frozen undersurface while sharp but quickly lost their edge. An attempt was to be made to re-surface shovels for longer wear.

a good thing, not only for the Indians, but for the county school system as well. The fact that we have had more pupils at Arrowwood was building up the school at that point, and it was a good thing for the Indian children to be able to mix with non-Indians in the matter of education. It was the general opinion that the ratio for Indian children should not be more than 30% of the total school enrolment.

Mr. Broadhead was pleased with the progress being made and the manner in which their children were being treated by the county, and complimented the county officials on their stand in this matter.

The present plan by the Indian Agent was that a few more pupils be sent to Arrowwood for the 1964/65 term, and this brought out the need for another teacher at Arrowwood. It would also be necessary to find another classroom, and discussion was held over this matter. Mention was made of obtaining a portable classroom, and it was suggested that probably the Department could assist in that they might be able to obtain one from one of the other reserves. Final decision for the extra classroom was left until a later date, when more particulars would be available.

It was moved and carried that Mr. Hawkesworth be authorized to engage an additional teacher for Arrowwood School.

CARMANGAY

Mr. and Mrs. W. F. Ewing and family were recent Sunday guests at the home of Mr. and Mrs. Cecil Baker of Strathmore.

Sympathy of the community is extended to the Ohler family on their recent bereavement.

James Baldwin was invested into Scouts at their meeting on Tuesday.

Miss Marilyn Hubka visited here over the weekend at the home of her parents, Mr. and Mrs. Frank Hubka.

Congratulations to Mr. and Mrs. Harvey Dowling of Calgary (nee Shirley Mifflin) on the birth of a son on Feb. 27.

Misses Linda, Chris and Florence Hubka have joined the Barons 4-H Club at their recent meeting held there.

Sunday guests at the home of Mr. and Mrs. Shumaker were Sgt. and Mrs. David Swift and family of Cold Lake, Mr. and Mrs. Henry Shumaker of Vauxhall and Mr. and Mrs. Cliff Fraser and family.

Recent guests at the Shumaker home were Mr. and Mrs. F. McTavish and Ron of Arrowwood.

Friends will be sorry to hear that Mrs. Maude Borchert is a patient in the Municipal Hospital. Mr. and Mrs. G. H. Nelson have returned from a trip thru the South-western States stopping to visit Mr. and Mrs. N. H. Stryker (nee Doreen Whittle) of Fortuna, Calif. They also visited with Mrs. Henrietta Whittle at Penticton. Mrs. F. Lazo has returned from a short visit at Wetaskiwin, where she stayed with relatives.

ANNUAL MEETING HELD

The Annual Meeting of the ratepayers of the Village of Carmangay was held on Monday, Feb. 24, in the village office. The attendance was very disappointing as only four ratepayers showed up to hear the financial and inspector's report of the village.

The inspector's report showed the village business ran in a satisfactory manner. The Financial Report showed that the village operated in 1963 with a deficit of \$1361.26.

A coin operated meter has been installed at the water stand pipe which should show a considerable increase in the tank water profit. Two wells were drilled last year and a new pump purchased to increase the village water supply.

The new assessment figure from the Board of Equalized Assessment being considerably higher than last year, indicates that all requisitions for schools and hospitals will be much higher. As a consequence the 1964 budget may have to be held to a minimum for municipal purposes, if the mill rate is to remain the same.

MUNICIPAL COMMITTEE MEETING

A special meeting of the Municipal Committee of the County of Vulcan No. 2 was held on Friday, February 14. Chairman Ivan Haga presided and committee members F. Hubka, A. W. Ulrich, M. Willard and D. McNiven were present.

It was moved and carried that the committee recommend to the county council that the county purchase one Model D562 Champion Grader and one Euclid C6 Crawler Tractor from Ferguson Supply Co. for the sum of \$50,000 net.

It was moved and carried that the committee recommend to the county council that the county purchase one Hough Loader Model 60 from Industrial & Road Equipment Ltd. for the sum of \$10,000 net after trade-in allowance for the Michigan Loader.

COUNTY COUNCIL MEETING

The regular February 1964 meeting of the Council of the County of Vulcan No. 2 was held on Friday, Feb. 14. Reeve Jack Deitz presided, and councillors F. E. Hubka, Ivan Haga, R. S. Irwin, A. W. Ulrich, Earl Erickson, A. McAllister, M. Willard, J. M. McKay, Frank Thurber and Donald McNiven were present. Also present at the meeting was D. D. McQueen, secretary-treasurer.

Business arising from the meeting was a report from the Service Board in respect to an application from a number of residents in the Travers Dam area, to improve a spring on the N.W. 18-14-20-4. It was noted that to cement a container and fix up the project would cost in the neighborhood of \$1,100. After discussing this matter at some length, the councillors decided that the county would assist the residents in their project by supplying the machinery to level the site, but that no funds would be voted towards the cost of construction.

A letter from the Director of Surveys in respect to road diversions in the N.W. 9-19-23-4 and the S.W. 5-19-22-4 which had been abandoned, was read. The letter asked that these road diversions be cancelled. It was moved and carried that the road diversions as described be cancelled.

A delegation headed by K. R. Miller from Carmangay interviewed the council in respect to forcing a road through the N.W. 34-14-22-4 to the Little Bow Park. It was noted that the land was owned by Mrs. Gertrude B. Scott and there had been previous attempts to obtain her consent to the road. Councillors were sympathetic to the idea of building a road for the use of the public to get to the south side of the park, and instructed the secretary-treasurer to take the matter up again with Mrs. Scott and ask if she would be willing to enter into negotiations in respect to this matter again.

A delegation headed by Mr. Pelham, Minister of the Vulcan Church of Christ, Dr. Kozlowski, and E. K. Hawkesworth, superintendent, interviewed the council in respect to welfare matters. The delegation was supported by D. D. McQueen, secretary-treasurer who had been a member of a committee appointed by a meeting of the people of the town to promote the idea of having the local authorities engage a qualified, trained social welfare worker. The delegation told the councillors that considerable thought had been given to this matter by a number of the different organizations of the community, and pointed out the great need for a well-trained social worker and welfare officer to look after the needs of the county as a whole, including the school. Such a worker would handle social welfare, social assistance and social allowances, counselling for unwed mothers, broken home assistance and generally look after the needs of retarded children, problem delinquents and other matters which affect society in general. It was pointed out that such a person who was qualified and dedicated in this work would accomplish a great deal to bring about the improvement and happiness of a large number of people. A suggestion had been made by the Foothills Health Unit in a similar manner as the Health Unit at Leduc and Barons-Eureka, but

It was felt that since this Health Unit was so widely separated and the population concentrated in the western part of the district, that one officer would be unable to devote enough time to the whole area. There would be sufficient work in the Vulcan area to justify the engaging of a man to look after the County of Vulcan, Town of Vulcan and the villages contained in the area. Cost of the project would be handled on a formula agreed upon by the various councils affected, and it was felt that a very good officer could be obtained whose salary, together with expenses of a car and office, would be in the neighborhood of \$8,000 to \$10,000 per year.

Councillors were very sympathetic to the idea, and it was moved and carried that the council approve of the plan in principle to obtain a welfare worker, and that the council explore the possibility of instituting such a plan in conjunction with the Town of Vulcan and the villages.

It was moved and carried that J. M. McKay be delegated to attend the meeting of the Alberta Municipal Financing Corporation, as the county's delegate, and that Mr. McKay be authorized to represent the county and vote on its behalf.

A letter and financial statement from the Vulcan Ladies Rest Room was read to the meeting. The letter asked that the grant in the sum of \$300 per year be continued. It was moved and carried that the grant for the rest room be continued on the same basis as last year.

It was moved and carried that Richard Myers' application for approval to operate a retail trade business at his farm be approved.

BROWNIES' & GUIDES' FATHER AND DAUGHTER BANQUET

Over sixty Brownies, Guides, Fathers, Guiders and Honored guests enjoyed the first such banquet held in Champion. The local association served a delicious meal. Brownie Laurie Ellis said grace. The toast to the Queen was given by Guide Carol Sletto. Brown Owl Racille Ellis was mistress of ceremony.

Deputy Mayor DeCon Pitcher told how proud the village was of the Guides and Brownies. Three members of the clergy were present, Rev. Fyke, Father Marien and Bishop Jim Ellis, all speaking briefly to the assembly. Each Brownie and Guide was presented with new ties by Lion Ron McGrail on behalf of their sponsors, the Lions Club.

Brownie Joan Bach proposed a toast to the fathers to which Art Ulrich very ably replied. Guide Annalee Middleton proposed a toast to the Guiders and Captain, Betty Matlock replied saying what a joy it was to work with such fine young girls. Eleanor Hummel thanked the mothers for the lovely banquet and the president of the local association, Mrs. Geo. Hummel fittingly replied. Division Commissioner Ella Hayes spoke to the girls and their fathers. Most of the fathers enjoyed seeing for the first time the Guide "Roseshoe" and Brownie Fairy Ring.

Cheryl Adams was enrolled a Guide and received her Brownie Wings. Grace Hummel was enrolled a Brownie and Mrs. Marjorie Culler was enrolled a Guider. Joan Bach flew into Guides. A Golden Hand was presented to Mary Kay McLean, and several Proficiency Badges and Service Stars were presented to the Brownies and Guides by Comm. Hayes.

The Brownies signalled the alphabet song in semaphore and danced the highland fling, part of their Dancers Proficiency Badge. The Guiders acted out a skit for their fathers. A candle-light birthday service was held in honor of Lady Baden Powell, in conjunction with the closing ceremony and taps. Brownie Joy Griffin said the Brownie Prayer.

COUNTY CENTRAL HIGH SCHOOL HI-LITES

Grade 9 Social Studies

What grade 9 student would not be fascinated by social studies? The course for this grade is interesting, informative, exciting, thought provoking and intriguing. The students have an opportunity to leave the confines of the everyday world and travel the breadth of the United States as well as traverse the Atacama Desert, the most inhospitable place on earth, or the dizzying heights of the Andes Mountains. The history of our own country, Canada, is not forgotten; the thrilling struggle for the franchise and responsible government is well portrayed; the pomp and splendor of the opening of parliament is introduced at a most appropriate time.

Unit 1, Environment Affects Living, is concerned with geography. Nearness to large bodies of water, ocean currents, wind belts, latitude, altitude, presence and direction of mountain chains all affect climate. These factors naturally lead on to the climatic regions of the world and the food produced in each. Maps are an integral part of the unit so projections such as Mollweide, Sinusoidal, Goode's Interrupted Homolodine and Azimuthal become familiar. Latin America is studied from the viewpoint of human resources, electric power, manufacturing, trade, social legislation, and transportation.

Who knows how many potential business tycoons there are in grade 9? Unit 2 appeals especially to this group. Types of businesses are surveyed here which range from single proprietorship to huge corporations and mighty cartels. Students see the difference between this type of business and a cooperative. Trade unions and accompanying terms become common knowledge. This is relevant in today's complex world. Alberta's Labor Act, social services available to us, unemployment insurance and workmen's compensation are reviewed.

Never has a grade 9 student disliked Unit 3. No one can help but thrill to the glories of the ancient Indian civilization of the Aztecs, Mayas and Incas. Liquid Spanish names such as Valdivia, Cortez, Montejito, Bolivar and San Martin stir the imagination. The exploits of these conquistadores and liberators read like the most unrestrained fiction.

The United States began with the settlement of the Thirteen Colonies along the Atlantic Coast. Then at Lexington a shot was fired that was heard around the world. The American Revolution had begun! The nation, born in conflict, was to endure more agony during the Civil War in which fathers were often pitted against sons and brothers against brothers for the cause each believed to be right.

Finally, the way in which the mighty U.S.A. acquired its territories defies the imagination of any writer. Truth is indeed stranger than fiction!

Unit 5, How We Carry On Government In Canada, gives an insight into the government at three levels: municipal, provincial, and federal. Students realize how precious a responsible government is and how dearly we should guard a democracy. The privilege of voting and the responsibilities of being fine citizens is appreciated.

The remaining two units develop an awareness of each individual's place in the community. Cultural needs are not overlooked in the fields of music, art, literature and religion. Canadian artists receive a just share of commendation.

To round out the schedule, much attention is given to current events through use of WORLD AFFAIRS. The pupils become aware of the globe, its problems and the part we all play in the unfolding drama of daily life.

Legion Announces Start Of Polio Campaign

The Royal Canadian Legion Branch No. 21, Vulcan will hold a Bingo in the Vulcan Armouries on Friday, March 13. Proceeds for Polio.

We ask you to support this worthy project. The records show that close to \$100,000 was spent last year on polio cases; mainly, in rehabilitating these people to lead a useful life. Only \$82,000 was raised so you can see there is a great need for funds.

Tickets can be bought at the Legion now or from some of the local members.

Watch this paper for further announcements and prize list.

CLARENCE ROTH, District Agriculturist

FEED CONVERSION THE KEY TO PROFIT

"Feed conversion is the key to profit. A hog that converts at the rate of 3 lbs. of feed to 1 lb. of live pork will make about \$6.00 more profit than one that converts at the rate of 4 to 1," G. R. Gear, Agricultural Representative with the Ontario Department of Agriculture, told the recent Swine Improvement Conference in Guelph.

In the early part of a hog's life, rapid growth must take place. The

young pig up to 125 lbs., should be fed a high energy ration. This is the period when the hog can convert at the rate of less than 3 lbs. of feed to 1 lb. of live hog, say researchers with the Ontario Department of Agriculture.

After the hog has reached 125 lbs. it should be properly "finished" for market. Overfinishing keeps a lot of our hogs out of the Grade A category and it has been shown that it is more costly to produce fat than lean. First of all, it takes more feed to produce fat and fat is a low priced product. A lean hog will reduce production costs and increase the price received at the market.

The finishing period can mean the difference between profit and loss! It pays to keep hogs an extra three weeks on restricted feeding to try for a high percentage of Grade A's. Restricted feeding does not take any more feed, just more time. A farmer who produces 400 hogs a year and raises the number of Grade A hogs from 30 to 60 per cent of the total number marketed, will have 120 hogs worth \$4.50 more, giving him an added \$540.00 per year. This extra money for three weeks hog time and use of buildings is a profit — a greater rate of profit than starting a new lot of pigs in the same pens.

Reserving unto Her Majesty Her Successors and Assigns out of all the above lands, all mines and minerals, and the right to work the same as set forth in patents registered as 5450 E. J. as to the said portion of the North West Quarter of Section 9 and 6568 E. T. as to the said portion of the West half of Section 16, and also subject to such other reservations, conditions, rights and provisos as are contained in the said patents.

Tenders must be enclosed in sealed envelopes marked, Tender, re: Supreme Court Action No. 65461 and addressed to the Clerk of the Supreme Court, Court House, Calgary, Alberta, and must be in the hands of the Clerk of the Court not later than 11 o'clock of the forenoon on the 16 day of March, A.D. 1964.

Each tender must be accompanied by a marked cheque or cash for (10%) ten per cent of the amount of the tender, and the balance of the purchase price shall be paid into Court within 30 days after the acceptance of the tender, without interest, the Purchaser to make his own arrangements for the money by way of mortgage or otherwise.

The deposit of 10 per cent shall be forfeited by the successful tenderer if he refuses to carry out the purchase after the acceptance of his tender. Cheques of unsuccessful tenderers will be returned to them immediately after rejection thereof; the highest of any tender not necessarily accepted. In all other respects the terms and conditions of the sale will be standing conditions of the sale of the Supreme Court of Alberta as far as the same are applicable hereto.

For further particulars, apply to HESELTINE & RODDIE Barristers and Solicitors, High River, Alberta.

DATED at the City of Calgary in the Province of Alberta this 13th day of February, A.D. 1964.

APPROVED:

IN MEMORIAM

MATLOCK—In loving memory of our son and brother, Sgt. Elmer Keith Matlock, killed in action March 8, 1943 over Verdun, France.

Somewhere in a soldier's grave
Lies our dear son among the
brave;
He never shunned his country's
call,
But gladly gave his life,
his all.
He died, the helpless to defend.
A faithful soldier's noble end.
—Ever remembered by his mother,
dad, sister and brother.

DECKER—In loving memory of Mat Decker, who passed away March 5, 1963.

Nothing can ever take away
The love a heart holds dear.
Fond memories linger every day,
Remembrance keeps him near.
—Ever remembered by his wife
Violet, daughter Beverly, sons
Donald, Pierre and Gordon. 1-p

BRANT

Mrs. John Henderson, the minister of the Brant United Church is conducting a Bible Study Class on Tuesday afternoons from 2:30 to 3:30.

Mr. and Mrs. Geo. Stotts attended the wedding of Miss M. Haas and Bill Sealock at Lomond, Saturday, Feb. 22, and the wedding dance which followed.

Merle Stotts was home at the weekend on his way to the Medicine Hat area where he is employed with the Lightwell Oil Co.

Mrs. Bea Prater and Mrs. Mable Shultz attended the annual meeting of the Alberta Red Cross Association at the Palliser Hotel, Calgary, on Friday, Feb. 28. Mrs. Prater was the official delegate from the Brant Red Cross Branch.

Mrs. Una Burley and Mrs. Inez Prater attended the bridal shower for Miss Ann Davis, fiancée of Earl Mote, at Ensign Feb. 26.

Fred Andrews surprised his parents, Mr. and Mrs. Cliff Andrews, when he dropped in for the weekend from Edmonton where he is working with the International Business Machines Co.

Local News Items

The Kirkcaldy Community Club are sponsoring a Card Party Friday, March 6, in the Kirkcaldy Community Hall at 8 p.m. Lunch and prizes.

Rev. and Mrs. M. R. Heebner and family were Saturday visitors to Medicine Hat.

Friends of Mrs. Winter Speer will be sorry to learn she is a patient at the local hospital.

Mrs. W. W. Clarkson spent several days in Calgary last week.

Mr. and Mrs. Len Birkenes and Carol of Calgary visited over the weekend at the home of Mr. and Mrs. Herb Birkenes.

Mr. and Mrs. Larry Hagg spent Saturday in Calgary where they visited with the latter's father, Charles Stokes, who had just returned home after a stay of two and a half months in hospital.

Mrs. Earl Galloway and daughter, Barbara entertained at a bridal shower, honoring Mrs. Wayne Woodman, at the Galloway home Thursday evening. Some 19 friends of the recent bride enjoyed several games of bingo, after which Barbara presented the guest of honor with a decorated basket.

REDLANDVIEW

A shower honoring Miss Fay Love, bride-elect of the month was held at the home of Mrs. Donald Giles in Vulcan on Saturday, Feb. 29.

Thirty-three friends and relatives gathered to bestow their good wishes on the bride-to-be.

After two most interesting contests, the gaily decorated gifts were brought in on a "stretcher" by a pair of suspicious looking doctors.

The presents were then unwrapped and passed around for all to see.

Miss Love very appropriately thanked all for the wonderful gifts and extended an invitation to everyone to visit them in their home.

The afternoon concluded with a most delicious lunch served by the members of the Sunshine Club.

The sympathy of the district is extended to Irene Cutforth on the sudden passing of her mother, Mrs. Ohler of Carmangay.

Mrs. Gladys Fulton visited her father in hospital in Calgary. His condition remains unchanged and friends wish him a speedy recovery.

Lynell Fulton, who had been confined to the local hospital, returned home last week.

County of Vulcan Agricultural Service Board

Members of two Kinsmen curling teams, Vulcan and Bassano, are pictured above as they took part in the zone playdowns held at Vulcan during February. Bassano were eliminated before the finals but the Vulcans foursome made it to the end before being

dropped by Vauxhall. Medicine Hat, Brooks, Vauxhall and Bassano each sent a rink for the weekend. Vulcan cutters are, standing from left to right: Bill Warren, President Jerry Anderson and Mel Jordan. Skip Vernal Haga is crouched below them.

District News

CHAMPION

Barry Lebsack returned home after having undergone surgery at the Vulcan Hospital last week.

The Felicity Club members and their husbands motored to Lethbridge on Friday, Feb. 21, for an evening of bowling. Seventeen couples, participated in a most enjoyable time bowling, followed by a delicious Chinese supper. A very fine time was had by all.

HOME & SCHOOL ASSOCIATION

A general meeting of the Champion Home and School Association was held on Feb. 17, in the school auditorium with a good crowd in attendance. Correspondence was read. Anyone wishing to go to Arrowwood on Feb. 29, for a meeting of all the Home and School Associations was asked to contact Mrs. W. R. Warren. It was mentioned there was to be a convention from April 14-17, in Red Deer.

Mrs. Munton and Mrs. Lacey gave a report on the County council meeting held in Vulcan. They said Mr. Munby had agreed to come and speak at the next meeting informing the public about the new vocational school being built in Vulcan. This should be of interest to all parents.

Following the business portion of the meeting Mrs. Anderson's Grade VI class gave a demonstration of tumbling. Considering the pupils had been taking this for only three weeks they went through their different activities very well and everyone enjoyed their performance.

The evening was closed by lunch

served by Mrs. Ruth Ohlheiser and Mrs. Ruth Passoli.

LIONS CLUB MEETING

At the Lions meeting on Feb. 24, it was decided to hold a series of bingo games, proceeds to go towards purchasing new seats for the community hall. Tentative plans are to hold the first one early in April.

In the recent zone bonspiel in Lomond, two rinks from Champion participated. The rink skipped by Theo Holm consisted of Max Groves, Earl Hegland and Ted Fedaj won individual high score trophies.

Local members have been busy attending inter-club meetings and charter nights. Four couples attended Charter Night in Mossleigh on Friday and reported a very enjoyable evening.

CARMANGAY

Mr. and Mrs. Alf Wynn left on a trip to Powell River to spend some time with their daughter, Betty and family.

Mr. and Mrs. Bob Teskey and family were Sunday guests at the home of Mrs. Hetty Teskey.

Weekend guests at the home of Mr. and Mrs. Fay Smith from Salt Lake City were their children, Mr. and Mrs. Sloan Smith and children. They arrived Thursday by plane to Carmangay. Bruce is helping his brother in his business. Sloan's business takes him to points in Central America, Honduras, Jamaica and U.S. Sloan and Bruce will be leaving Salt Lake for Jan Jose, Costa Rica on Wednesday. Kathy returned to her studies at the BYU.

HEATHER CHAPTER NO. 51

The Heather Chapter No. 51 of Carmangay entertained guests on February 23, the occasion being the official visit of the Grand Matron of Alberta, Mrs. Vera Oliphant of Drumheller. Also present were the Grand Esther, Mrs. Dorothy Douglas of St. Paul and other grand officers. Guests were present from different chapters, namely, Lethbridge Cardston, Granum, Claresholm, Champion and Vulcan.

The program was preceded by a banquet in the church hall, where places were set for 35.

Lunch was served at midnight by Mrs. Leona Hunt and her committee.

MRS. WILLIAM T. OHLER

Mrs. William Ohler was born Mabel Priscilla Black on September 20, 1889, 74 years ago, in Archie, Missouri. She married W. T. Ohler in Kansas City on November 11, 1908, having celebrated their golden anniversary over five years ago.

Together, they came to the Carmangay west area in 1917, lived on the farm until 1950 and then retired, residing in the town of Carmangay.

Mr. and Mrs. Ohler left the first part of January to visit Mrs. Ohler's brother-in-law and sister in Phoenix, Arizona. Mrs. Ohler passed away on February 23, in St. Luke's Hospital, Phoenix.

Surviving are her husband, William, Carmangay; one son, Ivan, Carmangay; two daughters, Mrs. Arthur Cuthforth (Irene), Vulcan, and Mrs. Ray Flitton (Wilma), Calgary; seven grandchildren and three step-grandchildren. She leaves two sisters, Mrs. India Stevenson, Phoenix and Mrs. Ina Gephardt, Archie, Missouri.

Mrs. Ohler was a member of the Carmangay United Church and had been active in the Women's Association prior to her ill health.

A funeral service was held in Phoenix at the Grimschaw Mortuary Chapel with Mrs. Stevenson's minister from the United Brethren Church officiating. Close relatives and old friends from the Southern States attended. Friends from Carmangay and Lethbridge who were also spending the winter months in Phoenix paid their last respects by being present.

On February 27, funeral services were held in the Carmangay United Church with Rev. B. Fyke and Rev. W. Morrison, Medicine Hat, officiating. Pallbearers were Bert Ohler, Vulcan; Neil Ohler, Ray Ohler, Roger Ohler, Fred Hall and Kai Hansen all of Staveland. Interment was in Archmount Memorial Garden, Lethbridge.

TRAVERS

Mr. and Mrs. George Dunsmore and family attended the 25th anniversary of Mr. and Mrs. Morris Skrove of Rolling Hills, held in the El Rancho Motel, Lethbridge last Tuesday evening. Mr. Skrove is Mrs. Dunsmore's brother.

Travelling to Vulcan on Saturday to get their son Dexter, were Mr. and Mrs. Harry Carlson and family. Dexter has been a patient in the hospital.

Visitors at the Stewart Dickett home on Sunday were Mr. and Mrs. A. B. Norman and Mrs. Audrey Hadford and sons Philip and Barry all of Lethbridge.

Mrs. Ed Emelson and Mrs. Eric Petersen took their children to the Friday evening show, Lassies Great Adventure, in Vauxhall.

Mr. and Mrs. Joe Haas left last week on a trip to Seven Islands, Quebec.

Lethbridge visitors on Sunday were Mr. and Mrs. George Dunsmore and family. They celebrated Mrs. Dunsmore's mother's (Mrs. Skrove) birthday.

Mr. and Mrs. Ivan Steeves and family visited at the home of Mrs. Allen in Calgary on Sunday.

Donnie George visited with his grandparents, Mr. and Mrs. W. Fletcher, Claresholm for a few days last week.

Mr. and Mrs. Art Christensen and Jean of Strathmore were Sunday visitors at the home of Mr. and Mrs. W. A. Watson.

Mr. and Mrs. Ed Emelson visited in Calgary on Sunday.
